

Age-Friendly Arizona Presents:

Feed Your Mind Webinar Series

June 1, 2018, 12:00 p.m.

Title: **Alternatives to Driving: Putting Down the Keys and Picking up the App**

Speaker: Kathy Chandler, *Executive Director of Northwest Valley Connect*

Most of us love our cars, but we may not always want to or be able to drive. Having alternatives can be convenient. As we get older, having alternatives to driving can become critical. Listen in as Kathy Chandler from Northwest Valley Connect talks about how her agency schedules rides for people with Lyft. This provides a low cost, safe alternative to driving. This webinar will provide communities with tools for meeting the transportation needs of their residents.

Speaker Bios:

Kathy comes from a family of transportation providers and volunteers. Her family's business of school bus transportation started in 1939, and has grown to include paratransit, coach bus tour trips, and other charter services in Wisconsin. Kathy worked in the Transportation Department at Pendergast School District in west Phoenix for more than four years before moving up to Flagstaff, AZ. For ten years Kathryn was the Paratransit Manager and Mobility Manager in Flagstaff. She enjoyed volunteering as a Girl Scout leader, Boy Scout mom, religious education teacher, Disability Awareness Commission Chair, on the County Board of Appeals, at the Family Food Center, for Stuff the Bus and more. In June 2014, Kathy moved back to the Valley to take the position as the Executive Director of Northwest Valley Connect.
